

## CHAPTER 8 IRP TEMPORARY REGISTRATION AUTHORIZATION

### 8.000 Temporary Registration Authorization

New IRP fleet vehicles, or vehicles being added to an-existing fleet, may be issued a temporary registration authorization only if all fees are paid. Refer to "Payment Options" in Chapter 7, Section 7.000.

***Alterations, erasures, strikeouts, or any modifications or changes of any kind to any permit after it has been issued and validated by DMV makes the permit void and the registrant will be subject to violations of California and foreign jurisdiction vehicle registration laws.***

### 8.005 Temporary Registration Authorization Form (Form Reg. 2126)

California IRP Temporary Registration Authorization forms (Reg. 2126) are available at DMV IRP field offices, or the headquarters IRP Operations Section. Only the official Form Reg. 2126 as printed by the Department may be used. ***Customers are never permitted to reproduce or use reproductions of this form.***

Customers are required to complete the portions of the form as indicated below and submit the completed permit with their application documents to the Field Office or IRP Operations Section. The Field Office or IRP Operations Section will assign an expiration date, validate and date stamp both copies of the form, and return the white copy to the customer. As applicable, the original validated permit may be photocopied so that copies may be carried in the multiple vehicles listed on the form,

Customer should pre-complete the following areas of the form:

1. Enter the carrier name and business address as reported on Schedule A or C application.
2. Enter the number of vehicles qualified for operation under the temporary permit.
3. Enter your assigned California IRP account number. If applying for original IRP registration, enter the word "NEW" in this space.
2. Mark appropriate section indicating the type of application on which the vehicle(s) is listed for registration and the date the application is filed. The date must be equal or prior to the current date.
4. List vehicle(s) being authorized by license plate number (leave blank if not assigned), equipment number, year model, make and the last six digits of the Vehicle Identification Number. Unused vehicle listing spaces must be lined out.
5. List IRP jurisdictional weights for the vehicles. A separate Reg. 2126 must be completed for vehicles which are not to be qualified at identical weights in the same jurisdiction. States with no entry must be lined out.

## CHAPTER 8 IRP TEMPORARY REGISTRATION AUTHORIZATION

### 8.005 Temporary Registration Authorization Form (Form Reg. 2126) (Cont'd)

All other spaces on this form are for DMV use only. Do not make any marks in the space labeled "DMV Use Only" or in the validation stamp area.

Jurisdiction and weight information entered on the form must be consistent with the information reported on the accompanying Schedule A/B and C forms or the jurisdictions previously qualified on the renewal or original application. Customers that complete Reg. 2126 forms for supplemental or original application vehicles and indicate qualification in states not previously or currently being qualified for operation will be required to submit Jurisdiction Addition supplements for the fleet regardless of whether or not the fleet vehicles were operated in the non-qualified jurisdictions. Failure to submit a jurisdiction addition application and fees upon demand of the IRP Operations Section will result in a fee assessment for the non-qualified jurisdictions at the discretion of IRP Operations management.

Temporary registration privileges may be denied for misuse of permits.

***Alterations, erasures, strikeouts, or any modifications or changes of any kind to a permit after it has been issued and validated by DMV makes the permit void and the registrant will be subject to violations of California and foreign jurisdiction vehicle registration laws.***

### 8.010 Third Party Facsimile (Wire) Temporary Registration Authorization

Temporary apportioned registration authorization is available by facsimile transmission through a third party vendor.

Facsimile temporary registration authorization must first be requested from the IRP Operations Section at (916) 657-7971 between the hours of 8:00 a.m. to 11:00 a.m., Monday, Tuesday, Thursday and Friday and Wednesdays from 9:00 a.m. to 11:00 a.m. The IRP technician will enter your account and vehicle information into the DMV IRP computer system which then computes the total IRP fees due and generates the temporary registration authorization. An additional \$2 DMV wire fee will be collected for each vehicle in addition to the applicable registration fees (CVC Section 9259.5).

After the facsimile authority has been requested from the IRP Operations Section and registration fees have been computed, you must contact the facsimile service provider to ascertain the amount of the transmission fees and arrange payment.

A properly completed and signed Schedule C application must be mailed to the IRP Operations Section within 10 working days after the facsimile request. Facsimile privileges may be suspended for failure to submit an application with all requirements satisfied within 10 days.
